

Third-Party Authorization Form

Please read entire form before signing.

Iowa Student Loan® requires your written consent to disclose information regarding your federal or private student loans to another person. Without this written consent, Iowa Student Loan cannot release information to a third party.

If you would like an Iowa Student Loan representative to discuss specific loan information with another person you name, complete and return the information release below.

Although anyone other than you can make payments on your student loan(s), the loan(s) will remain in your name and account number. All correspondence and payments must have your account number on them.

For Private Loans Only: Authorization submitted remains in effect while your private loan(s) are current. Should your private loan(s) become 10 or more days delinquent, Iowa Student Loan will need new written authorization, which will remain valid for one year from the date of receipt of the authorization.
